MEMORANDUM FOR: Assistant Director for Personnel

SUBJECT : Part Time (WAE) Employees

REFERENCE : Memo from Personnel Director to A-DD/A, dtd 12
January 1954, subject: Staff Study of 12 Nov 1953
on Part Time (WAE) Personnel

1. Referenced memorandum requested the views of this Office on appropriate action to be taken in converting four medical consultants to part time (WAE) status.

2. In view of prior commitments made to the doctors mentioned in referenced memorandum, it is my feeling that we should not attempt to effect their conversion to rates which would be lower than those now received. Accordingly, it is requested that their transfer to part time (WAE) employee status be effected at the rate of pay which matches their current compensation. In other words, the rate of compensation should be set at \$5.50 per hour.
